*"Our dear Oakwood within whose vale  
Thy standards will not fail,  
Our hearts are filled with wondrous cheer  
When thoughts of thee draw near,  
We love thy pines, thy elms, thy oaks  
And campus always green;  
Thy many flowers and distant mounts,  
Form one impressive scene.*

*"To thee our dear Oakwood  
To thee we shall ever sing,  
For decades thou hast stood  
Thy name should ever ring.  
Here we've spent our happy days  
So we love to sing thy praise,  
And wherever we may be  
We'll always be true to thee  
Our worthy dear old Q.C."*

# Foreword

Through these pages you may reminisce over the rich and varied activities of the school year 1956-1957. You will make new acquaintances and meet old friends. You will enter classrooms, and under the instruction of able professors drink deeply from the spring Education. You will be inspired by lyceums, rejuvenated by recreation, strengthened by working, edified and encouraged by religious disciplines. Your life will be full. As you come to the last page, you will readily agree that Oakwood is the place that amply trains the head, the hand, and the heart.

## President's Message

Among the phenomena of the past century is the vanishing of the American frontier. Raging rivers, vast forests, deserts, and mountain ranges have bowed to the ingenuity of modern man. Gone are the days of which old-timers and adventurous youth dream — days when flint-hearted pioneers blazed hazardous trails in their surge across the country; but there is no need to pine, for other exciting frontiers now challenge us. The present era finds men feverishly probing a thousand thrilling secrets in medicine, communication, energy, travel, technology, speed, and space. Beyond these is the world's greatest challenge — the frontier of the spirit. The very pinnacle for pioneers is the secret of everlasting life. The goal ahead and the tasks before us are heaven-high and world-wide.

The 1957 *Acorn* gives glimpses of Oakwood College, which trains spiritual frontiersmen to explore the far reaches of earth for the advancement of the Cause, to battle superhuman forces, and to develop new vineyards of right where once wild forests grew.

### PRINCIPAL'S MESSAGE

In order to adequately meet the needs of our youth someone has said that an educational program must emphasize balance — balance in capacities and balance in experience.

An omniscient Creator ordained that balance should be a fundamental principle of the educative process irrespective of the vicissitudes of life. The individual is to develop spiritual, mental and physical balance. This is essentially education according to the divine pattern.

Oakwood College Academy exists for the supreme purpose of serving the needs of youth. It is felt that these needs may be served best by providing a curriculum which emphasizes balance — balance in skills, knowledge, attitudes, purposes and experience — balance in the administration and faculty of Oakwood College Academy and dedicated to the work of co-operating with heavenly intelligences in helping youth maintain perfect balance in an ever changing world.

A very cordial invitation is extended to all youth to share and participate in this noble enterprise.

Isaiah 33:6. "Wisdom and knowledge shall be the stability of the times."
